Epic Indian Expedition: Journey to the top of the world.

The thrill of the open road, the roar of engines, and the Malaysian flag flying high – this was the essence of SSU Kelab Aman's incredible motorbiking expedition to India. For the adventurous trio of Avethar Singh (72), Harbhajan Singh (2244), and Jaspal Singh (1957), this journey was not just about exploring distant lands but about pushing the limits of endurance and camaraderie.

From the moment they set off from the town of Moga on the 4th of August, 2023, these brave riders proudly flew the Malaysian flag on their bikes as a symbol of unity, representing their home country as they ventured into the unknown.

The 11-day journey was packed with excitement and adventure, taking the team through some of India's most breathtaking landscapes.

As the expedition reached Umling La, the highest motorable pass in the world at a staggering 19,204 feet above sea level, they raised the SSU Kelab Aman colors with pride. It was a testament to their unwavering spirit and determination, conquering the heights and challenges that lay ahead. But the adventure didn't stop there! The team also conquered The Mighty Khardung La, standing tall at a whopping height of 17,982 feet above sea level, showcasing their indomitable will and thirst for adventure.

In total, the team covered a staggering 3,686 kilometers on this incredible adventure, facing both the expected and the unexpected with unyielding determination.

All riders and SSU Kelab Aman extend heartfelt gratitude to the following for their invaluable support:

- Punjabi Adventures Bikers Club - For their guidance and camaraderie on the road.
- Krishna Automobiles, Bhatinda - For ensuring the bikes were in peak condition throughout the journey, along with presenting the team with the prestigious "Legend Of India - Bhagat Singh Ride Award."
- Fateh Group of Institutions - Sukhmander Singh Chatta for their encouragement and recognition.
- Special thanks to Gurprem Lehri for the extensive TV and Dainik Jagran newspaper coverage of the entire trip in Punjab.
- The team would also like to express gratitude to Bikram Bahia of Baiya Group of Hotels for sponsoring their hotel stay after the press conference, ensuring their comfort and well-being.

Sundays at SSU Kelab Aman: A Fun-Filled Junior Development Academy

Every Sunday evening at SSU Kelab Aman has become a hub of excitement, laughter, and skill-building. Why, you ask? Because it's the day of our Junior Development Academy! We're thrilled to share with you the fantastic activities we have in store for the young minds aged between 7 and 16.

Kick It Off with Sports Excellence

First and foremost, sports are the heart of our program. Our dedicated coaches provide an excellent platform for budding athletes in football, netball, and hockey. It's all about nurturing talent, honing skills, and instilling the love for the game in these promising youngsters. The sound of laughter mixed with the thud of a football and the swish of a netball is music to our ears.

Parents Taking the Lead

But that's not all! In a fantastic display of community spirit and a commitment to healthy living, some parents decided to take the initiative. They've brought in something special for the adults too – Volleyball and Zumba sessions. It's a win-win situation! While the kids are sweating it out on the field, parents are getting their dose of fitness fun.

A Growing Family

The response has been heartwarming, but we're not stopping here. We're eagerly looking forward to having even more kids and parents join us. SSU Kelab Aman is more than just a sports academy; it's a place where friendships are forged, where skills are honed, and where memories are made. So, if you've been wondering how to spend your Sunday evenings in a fun and productive way, look no further!

As a Cricket Convener, a warm welcome and the exciting plans for the 2023 season at Kelab Aman. It's wonderful to see such dedication to the growth and development of junior cricketers and the promotion of a strong club-based culture. The initiative to co-locate age group training is a fantastic idea as it can foster a sense of camaraderie among players of different age groups and help create a cohesive cricket community. Utilizing the excellent facilities available at Kelab Aman will undoubtedly enhance the overall cricketing experience for everyone involved.

Moreover, providing support to volunteer coaches is crucial as they play a significant role in nurturing young talent and shaping the future of the sport. By offering opportunities and resources to our coaches, we can ensure they continue to deliver high-quality coaching and mentorship to our junior cricketers.

Kelab Aman Soccer Veterans: A Year of Victories and Celebrations

Founded on June 16, 2000, Kelab Aman Soccer Veterans marked a memorable year with a series of successful events in 2023.

Kicking off the year on February 18, we organized the annual Kelab Aman Soccer Section 6s tournament at our club grounds. This edition witnessed 16 section teams competing, and it turned into a grand affair as players and their children participated together. Goyang FC emerged triumphant, securing a thrilling "shootout" victory against Tada Nama FC in the finals.

On February 25, our boys showcased their talents at the 1st Kelab Aman Goodwill Games, a joint effort by our club. The event featured Volleyball, Pool, and Hockey matches, creating an atmosphere of camaraderie and goodwill.

Venturing beyond our home ground, we headed to Seremban to take part in the Jasmitt Singh Bhullar Challenge Trophy, an invitational tournament organized by the Negri Sembilan Sikh Union. Our team, Kelab Aman Lions FC, clinched the championship with a gripping penalty win against NSSU B in the final. The icing on the cake was our player Ajit Singh, who was named the Best Player of the tournament, adding to our victory.

Continuing the spirit of celebrations, we held the annual Kelab Aman Vaisakhi Football 6-a-side tournament on April 29. The event commemorated the significance of Vaisakhi and saw 20 strong teams participating, some traveling from as far as Johor Baharu and Ipoh. Brothers FC from Ipoh secured the championship, while Kelab Aman A earned the runners-up spot. The event showcased unity and sportsmanship among the community and revealed promising young football talents.

Keeping up with our festive traditions, our section gathered for a joyful Vaisakhi celebration at the Sports Bar on May 5, 2023. This get-together brought all members together to celebrate the solidarity of Kelab Aman Soccer Veterans as it entered its 23rd wonderful year.

Kelab Aman Veterans Hockey: Celebrating Triumphs and Embracing Challenges

The Kelab Aman Hockey section has been actively participating in tournaments across the country throughout the year. Our turf and grass pitches at the Club are buzzing with players on both weekdays and weekends.

April and May were relatively quiet months for tournaments due to Puasa and Hari Raya Aidil Fitri celebrations. However, in June, we made our mark at the IRC Above 40's Hockey 5's in Seremban, where we emerged victorious, further enhancing Kelab Aman's reputation.

Continuing our winning streak, we secured another victory at the Ipoh Lads Tournament on June 17, 2023, in the Category of 50's and above. The finals saw an intense sudden death penalty stroke, and we came out on top against Penang Sports Club.

On July 8, the Kelab Aman Veterans traveled to Penang to participate in the 24th PSC International Hockey Fest 2023, after a three-year hiatus due to Covid. Despite being runners-up in both the Above 50's & Above 60's categories, we displayed commendable performance and competitiveness.

As we move forward, the Kelab Aman Veterans Hockey Section faces an inflection point, with a diminishing pool of players affecting the overall quality of the game. Nevertheless, we remain steadfast like Hari Singh Nalwa, the great Sikh warrior, in the ever-changing landscape of Malaysian hockey.

Looking ahead, we have three tournaments lined up in the coming months: the Royal Selangor Club Invitational on July 29th & 30th, Liquorice All Sorts Invitational on August 19th, and the Sentul Sports & Social Recreation Club Invitational on September 9th, 2023

None of our achievements would be possible without the unwavering support of the Management of Kelab Aman, led by its President and dedicated Committee. We express our profound gratitude for their continuous encouragement. Tracing the journey of Charleen

Meet Charleenderjit Kaur A/P Upinderjit Singh, a 12-year-old student of Sekolah Kebangsaan St. Mary. Charleen's journey began from her early preschool years, Charleen displayed an extraordinary fondness for football. She honed her skills by engaging in playful matches with her grandparents, father, and uncles. With an adoration for the sport sparked by watching the Euro 2020 and observing legends like Cristiano Ronaldo. Inspired by his tactics, discipline, and mesmerizing moves, she embarked on a remarkable journey that would see her achieve incredible feats and these playful games ignited the spark of her football journey, setting her on a path to greatness.

As the years went by, fueling her ambition, Charleen honed her skills under the guidance of esteemed coaches. Her association with Kelab Aman and KLYS Under 12 has provided her the opportunity to train under the tutelage of professional and widely recognized coaches. This exposure has played a pivotal role in shaping her technique and understanding of the game.

Charleen transitioned from casual play to dedicated practice. One of the defining moments in Charleen's journey came during a recent tournament hosted by Royal Selangor Club (RSC), where she displayed her prowess by scoring a remarkable free kick. Also, during a friendly match Charleen displayed her prowess by scoring a remarkable hat-trick. Her ability to find the net not once, but thrice in a single match is a testament to her determination and consistent practice. In the face of adversity, Charleen showcased true leadership qualities. Selected as the captain of her team, she led by example, even while battling an injury. Her determination to play through the pain barrier exemplifies her commitment to both her teammates and the game itself.

Looking ahead, Charleen envisions herself as a professional footballer, aiming to carve out a distinguished career in the world of football. As Charleen continues to progress in her football path, we eagerly anticipate the next chapter of her story, confident that she will continue to inspire us all with her remarkable talent and unwavering commitment to the beautiful game.
