

NOTICE

To All SSU Kelab Aman Members

Your safety and comfort while enjoying the facilities of our club is of paramount importance. To maintain a safe and orderly environment, we have observed an increasing issue of indiscriminate parking within the club premises. As such, we wish to inform all members of the following:

- 1. Parking Regulations:** Due to the growing problem of indiscriminate parking in the club's premises, it has become necessary to enforce stricter parking regulations.
- 2. Clamping of Vehicles:** Effective immediately, members who have parked their vehicles indiscriminately or who possess invalid car stickers will have their cars clamped.
- 3. Clamping Fee:** To have a clamped vehicle released, a fee of RM 100 will be levied. We urge all members to adhere to parking guidelines and ensure their stickers are valid to avoid this inconvenience and cost.
- 4. Parking Responsibility:** Therefore, we strongly advise all members to park their vehicles in a considerate and orderly manner and ensure their car stickers are up-to-date. By doing so, we collectively contribute to a safer and more organized club environment.
- 5. Sticker Renewal:** Members who require new and valid stickers may proceed to the club office to collect them. The office staff will be ready to assist you during office hours.
- 6. Immediate Implementation:** These measures will be implemented immediately. Your cooperation and understanding are greatly appreciated as we work together to create a more enjoyable and secure environment for all.

We believe that by adhering to these parking regulations, we can ensure a safer and more enjoyable experience for all members at Kelab Aman. Thank you for your understanding and cooperation.
