

Notice to SSU Kelab Aman Members

Dear Members,

After careful consideration, we regret to inform you that the Kelab Aman 50th Anniversary Mela has been postponed to **Saturday, 14th December 2024**.

The decision to reschedule the event was based on two key factors:

- 1. VIP Guest Availability:** Conflicts in scheduling with our VIP guests have necessitated a change in the event date.
- 2. Vendor Opportunities:** The extended timeline will provide an opportunity for more vendors to register their booths, ensuring a more diverse and vibrant Mela experience.

We believe that postponing the Mela will allow us to deliver a more successful and enjoyable event for all. While we understand that this decision may cause some inconvenience, we are confident that the new date will enable us to make the celebration truly memorable.

Thank you for your understanding and continued support.

Best regards,
