

# NOTICE TO LIFE MEMBERS

## DISCONTINUATION OF RM1,000.00 CREDIT FACILITY

Dear Esteemed Life Members,

For a number of years, the Club has operated a credit facility of RM1,000.00 for life members, allowing purchases and transactions at the Club without upfront payment. While this arrangement was introduced as a convenience to members, it has unfortunately led to a significant number of accounts remaining in arrears over time.

Upon review, the Committee notes that there is no provision in the Club's Constitution to support the extension of credit facilities to members. Furthermore, the Constitution does not provide for the imposition of interest or penalties on such outstanding amounts. This effectively means that the Club has been advancing funds to members, which is neither sustainable nor consistent with sound financial governance.

### **Upholding Fairness and Integrity**

In the interest of fairness, consistency, and financial responsibility to all members, the Committee has resolved to discontinue this credit facility.

However, in order not to unduly burden members, and to allow time for regularisation, the Committee has further resolved that:

- The existing **RM1,000 credit facility will remain available until 31 December 2025.**

With effect from **1 January 2026**, any outstanding amounts arising from the facility will be treated as **outstanding dues** in accordance with the Club's Constitution.

From that date onwards, no further credit will be extended, and all transactions must be prepaid via member card top-up.

We trust that members will understand the need for this change, which is aimed at strengthening the financial position of the Club and ensuring that all members are treated equitably.

If you would like to verify your current balance or require further clarification, please contact the Club Office at 03-2181 6710. We appreciate your understanding and cooperation.

Warm regards,  
Honorary Treasurer  
SSU Kelab Aman
