Subject: Important Reminder Regarding Membership Card Usage

Dear Members,

To ensure that all members continue to enjoy the exclusive benefits and facilities of SSU Kelab Aman, we would like to issue a formal reminder regarding our membership card policy.

Policy on Card Transferability

Membership cards are strictly non-transferable. They are issued for the sole use of the named member and must not be loaned, shared, or given to friends or extended relatives.

Family & Supplementary Cards

We understand the importance of family access to our facilities. Please note the following:

- **Spouses and Children (under 21):** Family members are encouraged to use their own **Supplementary Cards** for entry and services.
- **Guest Access:** If you wish to bring a guest who is not a supplementary cardholder, please follow the standard guest registration protocol at the security post. Guests may also be registered using the clubs Mobile Application.

Compliance

Please be advised that any member found in violation of this policy by permitting unauthorized individuals to use their card may face **severe disciplinary action**, including potential suspension or termination of membership privileges.

Thank you for your cooperation in keeping our club community secure and fair for everyone.

Sincerely,

The Management
