Implementation of New Constitution for SSU Kelab Aman

Dear Members,

We are pleased to inform you that the new constitution for SSU Kelab Aman has officially been approved and comes into effect immediately. This constitution marks an important step in our club's journey, outlining updated guidelines and principles to better serve our members.

As part of this transition, we are currently in the process of printing the new constitution books. These books will serve as a comprehensive guide for all members regarding the rules, regulations, and ethos of our club under the new constitution.

Members will promptly be notified once the books are ready for collection from the club office. In the interim, members may access the online version by scanning the QR code on this page.

Should you have any immediate questions or concerns regarding the new constitution, please do not hesitate to reach out to the club's office.

Thank you.
